Seiniger Law Offices Named to "Best Law Firms" by U.S. News

Boise Firm Is Recognized For Its Work in Workers' Compensation and Personal Injury

SEINIGER LAW OFFICES OF BOISE has been named to the list of "Best Law Firms" in the newly-released rankings from U.S. News Media Group and Best Lawyers®, Tier 2. The firm was chosen for its outstanding reputation in both workers' compensation and personal injury litigation.

Seiniger Law Offices was one of only six firms to be included from Idaho in the practice area of plaintiff's personal injury, and one of only three in claimant's workers' compensation. Lawyers are selected by their peers based on qualities such as expertise, integrity, and whether they would refer a matter to that firm. "Achieving a high ranking is a special distinction that signals a unique combination of excellence and breadth of expertise," according to *U.S. News & World Report*, the publisher of the nation's most respected professional rankings.

"There is no greater honor than to be recognized by one's fellow attorneys," said Breck Seiniger, who is celebrating over thirty years in private practice. "We are a small firm that can provide the kind of personalized service that people really need, especially when they have severe injuries and are facing a David-and-Goliath court battle with an insurance company."

The mission of "Best Law Firms" is to serve as a guide for referring lawyers and clients. "We are providing clients with the most thorough, accurate, and helpful rankings of law firms ever developed," says the president of *Best Lawyers*, which is described as the oldest and most respected peer-review publication in the legal profession.

Mr. Seiniger is well-known for his success as a plaintiff's attorney in the fields of personal injury, workers' compensation, and employment law. Further information is available at www.SeinigerLaw.com.
